Don't Break the Bank!

Directions:

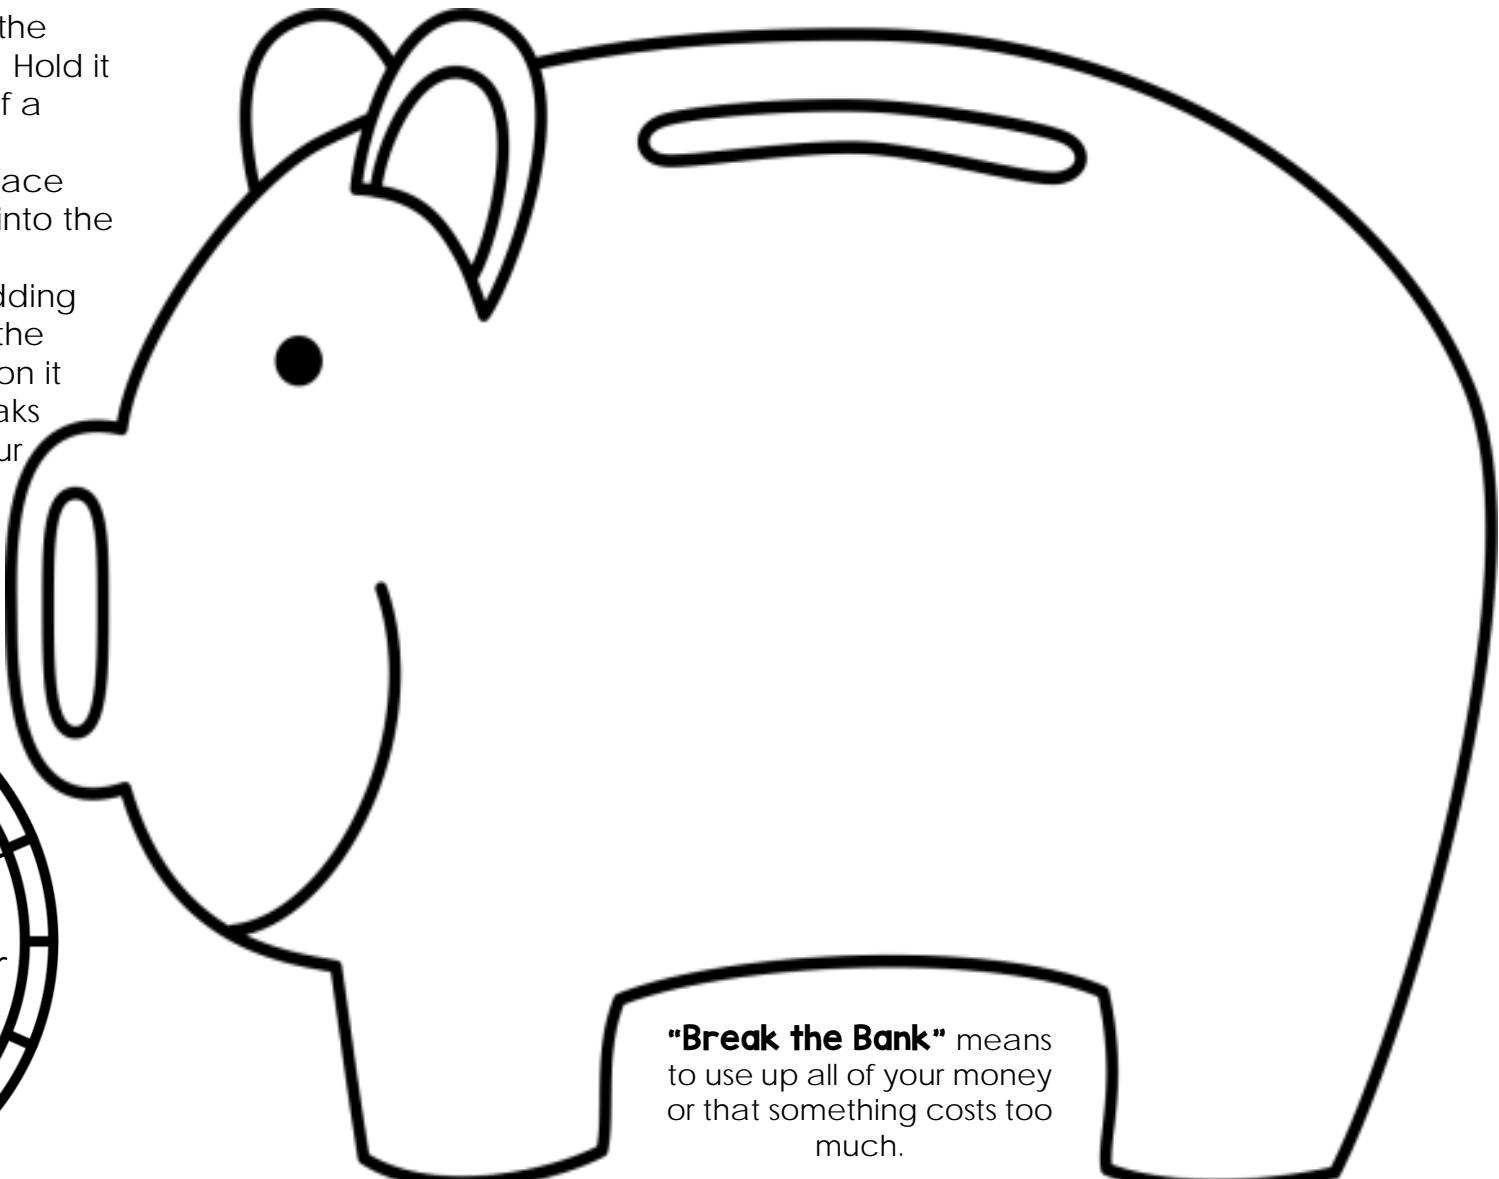

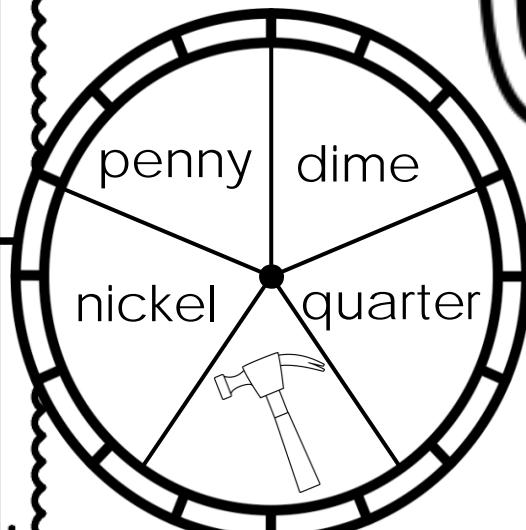

1. Place a paper clip in the center of the spinner. Hold it in place with the tip of a pencil.
2. Spin the paper clip. Place the coin you land on into the bank.
3. Keep spinning and adding coins. Watch out for the hammer! If you land on it 3 times, the bank breaks and you lose all of your coins!
4. Count to see how much money was in the bank when it broke.
