PHOTOSYNTHESIS

Tune: The Addams Family theme song

Plants need food, but can't take it;
Instead they have to bake it.
It's in their leaves they make it
in PHOTOSYNTHESIS!

In the leaves you cannot see,
the CHLOROPLASTS so tiny
making food for energy.
And here's their recipe:

SUNLIGHT,
CARBON DIOXIDE,
WATER

When it's finally done,
there's SUGAR and OXYGEN.
From WATER, AIR, and SUN,
that's PHOTOSYNTHESIS!

PHOTOSYNTHESES
