

PRIMARY THEME PARK

Theme & Unit Resources for the Elementary Classroom

Thank you for your download! I hope the activities provided within are a great new resource for your classroom.

This file and all of its contents are for your own personal or classroom use only. In downloading this file, you agree to its terms of use.

You may:

- ✓ use this resource in your own classroom or home
- ✓ include pictures of students using the product in a blog post as long as proper credit is given, including a link to the product in my store
- ✓ purchase additional licenses at a discount to use the resource in more than one classroom

You may NOT:

- share this product with others
- upload the product to any website or online storage system, including Amazon Inspire or a school district website
- create derivative works or copy it to make a similar product
- resell or use the product for commercial purposes

If you have any questions or need any minor changes, I'm happy to help. Please email me at primarythemepark@gmail.com.

Thanks, again! I hope this is your best year of teaching yet!

Stephanie Trapp

I'd love to share more ideas and resources with you! Stop by my blog, [Primary Theme Park](http://PrimaryThemePark.com), for activities, ideas, and printables for the elementary classroom.

Let's Connect!

Moving *Mayflower* Craft

Materials:

- 9 inch white paper plate
- blue construction paper
- *Mayflower* templates
- craft stick (popsicle stick)
- scissors
- stick glue
- tape
- crayons or markers
- optional: watercolor paint and paint brushes

Move the craft stick back and forth to move the *Mayflower*!

Directions:

1. Cut a line across the center of the inside circle of the plate. Do not cut to the plate's edge.

3. Tear blue construction paper into long strips.

2. Color the top half of the paper above the long horizontal line you cut. Use crayons, markers, or watercolors.

4. Glue the strips onto the bottom half of the plate, overlapping them. Make sure the cut across the plate remains open.

Directions continue on the next page.

Moving *Mayflower* Craft

5. Turn the plate over and trim off the excess construction paper.

Leave space between bottom of tape and bottom of the ship.

6. Color and cut out the *Mayflower* ship. Tape it to one end of a craft stick. Leave a small amount of space between the bottom of the tape and the bottom of the ship. See the *top right picture*. This allows the ship to sit and slide along the top of the water (construction paper). It also keeps the ship on the plate when not moving.

7. Place the craft stick down in the hole in the plate. Move the ship by sliding the craft stick back and forth.

Challenge: Have students write about the Pilgrims' journey on the *Mayflower* on the back of the plate.

Moving *Mayflower* Craft

Templates

1. Color the ship. Color the sky behind the sails the same color as the sky on your paper plate.
2. Cut out the ship.
3. Tape the ship at one end of a craft stick.

Graphics & Fonts

A special thank you to these talented artists for the use of their graphics and fonts. Click on the buttons to visit their stores.
